Interceramic®  
CRAFTED FOR LIFE

STYLES  
YOU WANT.  
**PERFORMANCE  
YOU NEED.**

**TWICE THE STRENGTH. HALF THE MAINTENANCE. ALL THE BEAUTY.**

## Interceramic continues to break boundaries as pioneers in the industry.

- ✓ The only 100% **waterproof** system! No worries about mold or mildew!
- ✓ With the **strongest** porcelain in the industry, breakage is almost non-existent. (Third party testing confirms 600+ lbf.) And take it outside! No. Worries.
- ✓ Our entire offering will meet your **slip resistant** needs (yes, that means >0.42 DCOF).
- ✓ Never worry about pets or children scratching the floor. We use the highest quality glazes creating a **scratch resistant** tile.
- ✓ Wine? Juice? Don't stress, our **stain-proof** tile will still look brand new after an easy clean-up.
- ✓ Practically **zero maintenance!** Only water needed, forget about those harsh chemicals or sealers.
- ✓ Meet the need of every customer, every time, with **large format** (planks, squares and rectangles), **rectified** edges and **polished** surfaces.

## OUT-PERFORMING COMPETITORS
